

# Value Line Timeliness™ Mid Cap Growth SMA

ValueLinePortfolios

Managed by EULAV Asset Management

**Mid-cap growth companies tend to be more established with less risk than small-cap companies, and more room for appreciation potential than large-cap companies.**

The Value Line Timeliness™ Mid Cap Growth SMA provides growth potential by integrating the Value Line Ranking System for Timeliness™ with a multi-factor risk model that incorporates each stock's risk profile and fundamental characteristics to construct a diversified portfolio.

As of March 31, 2026

## About Value Line Timeliness™ and Safety™ Ranking Systems

The Value Line Timeliness™ Rank measures predicted relative price performance of a broad universe of stocks during the next six to 12 months on an easy-to-understand scale from 1 (Highest) to 5 (Lowest). Components of the Timeliness™ Rank include historical stock-price performance, financial results, and earnings surprises. The Value Line Safety™ Rank measures the total risk of a stock relative to a broad universe of other stocks. It takes into account a stock's Price Stability rank and the Financial Strength rating of a company.

## Investment Objective

Capital Appreciation

## Investment Approach

Stocks in the Value Line Ranking System for Timeliness™ system are optimized against the Russell Midcap Growth Index for possible inclusion in the portfolio. The optimization process selects stocks and determines their relative portfolio weighting, balancing risk and reward, as projected by the Value Line Ranking System for Timeliness™.

## About EULAV Asset Management

EULAV Asset Management (EAM) is an SEC-registered investment adviser, located at 1605 Main Street, Suite 912, Sarasota, FL 34236. EAM is the investment adviser to the Value Line Funds—a diversified family of no-load mutual funds with a wide range of investment objectives, available through brokerage firms, financial advisers or directly. The Value Line Funds are designed to help investors meet their investment goals and include a variety of equity, fixed income, or hybrid funds. The first of the Value Line Funds started in 1950. EAM now offers separately managed accounts (SMAs) utilizing Value Line proprietary research designed to help investors further pursue their investment needs and goals.

**Data shows past performance, which is not indicative of future performance.** Information contained herein has been prepared for illustrative purposes only. Although the information provided has been obtained from sources which EULAV Asset Management (EAM) believes to be reliable, it does not guarantee accuracy or completeness of such information. Opinions represented are not intended as an offer or solicitation with respect to the purchase or sale of any security or product and are subject to change without notice. Equity markets are volatile and an investor may lose money. For a complete discussion of the risks involved, please see our ADV Part 2A (Brochure) which is available on our website ([valuelineportfolios.com](http://valuelineportfolios.com)).

EAM acts as either a discretionary investment manager or a non-discretionary model provider in a variety of separately managed account programs. Any performance information included herein represents the performance achieved by EAM as a discretionary investment manager with trade implementation responsibility. Separately managed accounts are provided by EAM and are independent of the Value Line Funds.
